# Welcome to MinnPar

## Your Quality Parts Source

Since 1982, MinnPar has supplied customers from around the world with Genuine, OEM Grade and now After-Market parts. Our highly experienced technical support team helps customers troubleshoot problems and assists in selecting the right parts for the job.

MinnPar is all about providing options and giving you cost effective solutions for your equipment. We know you have equipment used in a variety of applications and conditions. If you want Genuine products, MinnPar has thousands in stock, the identical parts you can buy from an equipment dealer. If you want OEM grade, normally identical and made by the same manufacturer but not in the Genuine packaging, we have those parts as well offering you savings. If you want high quality parts but at the best value, MinnPar now has literally millions of dollars of the highest quality After-Market parts in stock for immediate delivery. Before we put the MinnPar brand on our parts, we personally visit each and every supplier to ensure our strict quality standards are met. If you want the best, buy MinnPar!

Do like thousands of other customers do from around the globe, explore our web site. On it you will find hundreds of technical catalogs, parts books all with the ability to order on-line at your pace. You can order from MinnPar 24 x 7 x 365 with parts in stock to ship the same day with confidence. So give us a try, place your order, track your shipment or download an invoice at [www.minnpar.com](http://www.minnpar.com).

## Most Requested MinnPar Catalogs

With new products added to the MinnPar website, MinnPar is continuously updating and expanding its catalog collection. Available online, search by brand, type of machine or model and find the part you need. Check out the most requested catalogs at [MinnPar.com](http://MinnPar.com).

## OUR COMPANY

Originally manufacturing Bros vibratory rollers for the construction market, since 1982, MinnPar LLC, has served the construction and agriculture needs with Genuine, OEM and Aftermarket parts. What makes us different? We have a building, we have inventory, we employ full-time technical engineers and we source globally to find the highest quality parts at prices you demand.

The Corporate Headquarters resides in an 85,000 square foot, office and high-bay warehouse in a suburb of Minneapolis, Minnesota. With stocking partners in both Europe and Asia, most products are shipped the same day as ordered. Having a multi-lingual sales, technical and sourcing staff (including Spanish and Mandarin Chinese), when combined with the internet, both parts research and ordering is possible 24 x 7 x 365.

Every year, MinnPar ships product, same-day, to nearly 100 countries. With native speaking English, Spanish and Mandarin Chinese employees, MinnPar is truly a global company that knows how to get you what you need anywhere in the world on-time, every time.

*Trust your needs to the best – trust in...*
