**Notice to Dealers: In specific cases, and only with written authorization in advance from MinnPar, it may be necessary to incur labor charges to repair a part rather than replacement. If authorized please detail parts required and any applicable labor on Warranty Labor Request Form.**

Warranty: MinnPar warrants that its new parts will conform to applicable specifications and be free of defects in material and workmanship under normal use and service. This warranty shall extend for 180 days from MinnPar invoice date. MinnPar will replace free of charge F.O.B. MinnPar plant parts found to be defective in materials or workmanship provided the part or parts were properly installed, serviced, and used in normal operation. MinnPar may request the defective part be returned to our warehouse. Under no circumstances will MinnPar recognize claims for labor charges or consequential, our liability being limited strictly to the replacement of such parts as we find defective.
